Feedback from the April 2026 Advanced Endourology course — advanced stone and upper-tract techniques for senior trainees.

In partnership with **Boston Scientific** and **KARL STORZ**.

In their words

“Today, in a few hours, I learnt more than I learnt in any other course.”

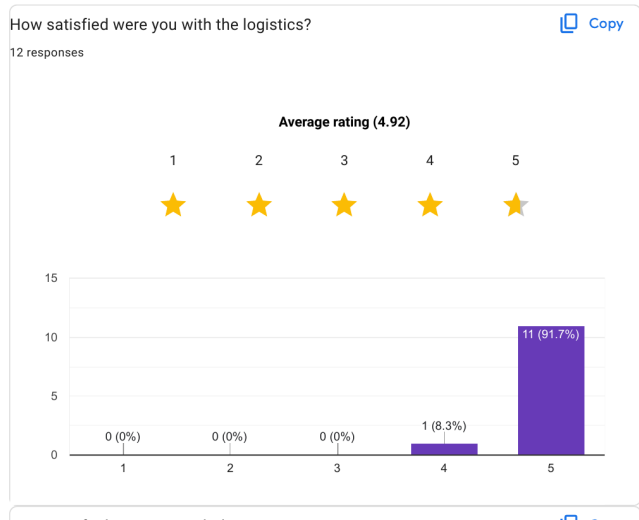

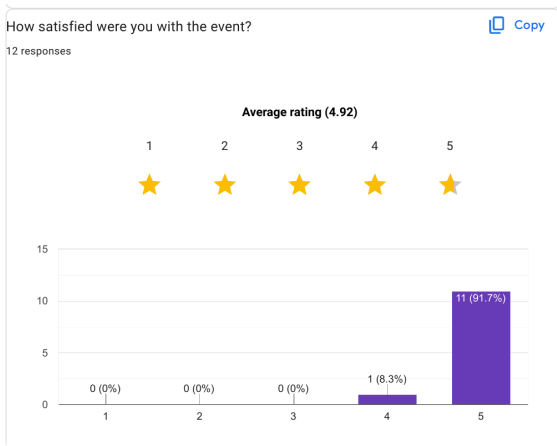

“Excellent day with a small group and engaging speakers.”

“Great programme and faculty — I would like to attend such courses in the future.”

“Very helpful and well-organised — thanks for a top-notch experience.”

Suggestions for improvement

We review every comment. These are the improvements delegates suggested — and that we are taking forward for future courses.

What delegates suggested

- A hands-on component to complement the as-live cases.
- More detail on laser settings for stone cases.
- Additional case-based discussion.

Thank you to everyone who shared their feedback. It directly shapes how we run every course.
