For trainees

Feedback from the October 2025 BPE/BPH course — modern management of benign prostatic enlargement.

**In partnership with Boston Scientific and KARL STORZ.**

## In their words

*“Very well structured, clinically accurate and clinically oriented.”*

*“Great value for money, with a good faculty-to-attendee ratio.”*

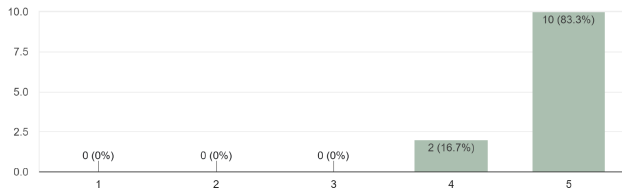

*“Highly recommended for trainees.”*

*“The accommodation and dinner were amazing.”*

# Suggestions for improvement

We review every comment. These are the improvements delegates suggested — and that we are taking forward for future courses.

## What delegates suggested

---

- More hands-on training time, including adding Urolift to the workshop.
- Additional time on consent.

*Thank you to everyone who shared their feedback. It directly shapes how we run every course.*
